Frau Blau & BoBe . . . "strangers in the night"

Frau Blau & BoBe stage together with the audience the funny-dramatic love story „strangers in the night“ - a show with lots of love, even more romanticism and true heroes of the audience...

Attention! Today Frau Blau is „in a very romantic mood“ and on this wave of emotion she drags along everybody around. Even her nephew BoBe becomes a perfect gentleman choosing the right beautiful lady for the play. One after the other the whole audience has to join in the funny drama.

Love songs are sung, wild horses speed over the place, two brave heroes fight for the heart of the beautiful lady... BoBe grows more and more into the role of the silent director who gives brilliant panto-mime examples for the actors and directs easily the crowd.
Frau Blau is delighted!

Of course there will be a happy end with two strangers falling in love under a blue umbrella in the rain of a watering can and the angels – in person of Frau Blau - sing `strangers in the night`!
Love (and laugh) is in the air!
