## Walk Act

### Frau Blau & BoBe...on holiday!

A journey with fun and surprises. Frau Blau & BoBe on a sightseeing tour – they are playing and flirting with the audience, involving people in their own world.

The Isle of Man is a little island in the Irish Sea. Two exceptional travellers start from here to visit the rest of the world and let people know about their beautiful home.

Frau Blau is a real lady – a little strange but lovely. Frau Blau loves flowers and romantic moments and is still looking for the man of her life. Fortunately she is never alone: her nice nephew BoBe is always around. BoBe is steadily up for crazy ideas and finds every minute a new surprise in his little bag. With his bubbling ideas he turns Frau Blaus well structured world up side down.

Beautiful pictures for the family photo album are built, strangers meet under a blue umbrella and become lovers in the rain of a watering can, people struggle with town maps and love songs are sung. Every new trip brings new comical situations, slapstick, experiences and fun!

You can book “Frau Blau & BoBe” as a comedy street theatre play or for walk acts. A colourful spot in your event.

**Duration:** in sets for 30 minutes or flexible
